Dear Madam/Sir:

I tried to file the Form 8871 electronically but was not successful because the EIN number had not been issued at this time. You will note that I faxed the EIN request as instructed, but they informed me that it would take 4 working days which would mean that the EIN number would not be available until after the filing date.

As a result, I am submitting the Form 8871 without the required EIN and will send it in when it is received.

Sincgrely yours,

VIIII Connell
